

Description	Williams County Commissioners' Regular Session #50	
Date	Tuesday, August 4, 2026	
Time	Speaker	Note
8:59:54 AM	SL	I bring the meeting to order and we will start with the Pledge, please. All present said the Pledge of Allegiance.
9:00:16 AM	Roll Call	TR: Here; BW: Present; SL: Here; Quorum is Met.
9:00:26 AM	Resolution 398	Approving Minutes from Regular Session July 30, 2026; BW: Motion; SL: Second; Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
9:01:14 AM	TR/SL	Looking at bills we paid \$4600 for a backflow preventer in this building, just wondering if we did the testing at the North building while we were doing that. Might be something to add to a list, Scott as they are finalizing that. I just want to make sure that doesn't get dropped off that every year we got to do backflow test in all these buildings. SL: We really have to do that? TR: Well, if says we do, I keep wondering. SL: Why do we have to do that? TR: I don't know. SL: Because we have a drinking fountain, or what? TR: Because they say we have to, and whoever they is, it's my new word. SL: Typically, that is a restaurant thing.
9:01:50 AM	VH	I had to do it in every public building.
9:01:58 AM	TR	Every public building, is what I have been told.
9:02:00 AM	VH	That is what I had to do.
9:02:12 AM	TR/VH/SL	But I never challenged it, it just seems ridiculous. VH: And then you have to have a licensed, someone who does it has to be a licensed. SL: And that would be Stark's. TR: Nope, they used a David V. Batt, State Backflow Testing's, State Certification out of Defiance. SL: \$4500.00 bucks? TR: Yeah, for this one big back flower and I am googling it just to see what it is and they are \$5,000 grand they are an expensive piece.
9:02:28 AM	BW/SL/ TR/VH	Gene told me they had to replace it. There was no fixing it. SL: Oh, it needs fixed? It needs replaced? TR: They did replace it, it's done. VH: It is done. SL: Oh. TR: I will text you guys a picture of it, just so you can see what my quick google of it was for fun.
9:02:45 AM	Resolution 399	Approving the Agenda with an amendment to add the Auditor's July Financials; BW: Motion; SL: Second; Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
9:03:26 AM	Resolution 400	Approving Payment of Bills; BW: Motion; TR: Second; Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
9:04:02 AM	Resolution 401	Supplemental Appropriation(s) on behalf of the Commissioners, Engineer and JFS; BW: Motion; TR: Second: Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.

9:04:48 AM	Resolution 402	Approve Advertising for Sealed Bids for Project 4-2026 WIL CR 15 US 6 to South Street – OPWC-DeAD-05; BW: Motion; TR: Second: Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
9:05:23 AM	Bill Discussion	SL: Hillside? BW: Yeah, I had the same thing, okay we will get it figured out. VH: Current cash negative; SL: How much? VH: \$127,428.13; TR: Payroll came out this week. VH: and it is the 4 th so they don't have their revenues in yet either. It is that lull on cash flow. SL: Can't get a head of it. VH: Nope; BW: No; TR: Well, they only took \$50,000 last month & they were negative \$119,000 in there, they spent \$119,000 more than the brought it, so they were just buying time more than anything. I mean we were buying time, I mean it was intentional, so.
9:06:08 AM	Resolution 403	Accept and Award MVPO and City of Bryan's recommendation to award MVPO Project City of Bryan Wastewater Collection Improvement to S&S Directional Boring; BW: Motion; TR: Second: Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
9:07:19 AM	SL	So, when do we bring up smoking in the lines out at Bona Vesta?
9:07:41 AM	TR	Todd is going to be here in a little bit, I think. SL: I know we discussed it at least three times in the last year and a half. TR: Right. SL: Are we ready to do something with it, what do we have to do make a motion to get that done? TR: I think after a discussion with Todd that would be appropriate, that's why I say the only way you can make something move in here someday is to make a motion and a second, so. Let's have a discussion with Todd and I think that would be appropriate. SL: Sounds like a plan.
9:07:57 AM	Resolution 404	Accepting renewal quote for the Williams County Airport Liability Insurance; TR: Has Russ Davies seen that? AR: I am not sure; we have reached out to Russ before & he wasn't able to beat it previous years. TR: Yeah, and I am not worried about that, I just want to make sure that it is covering all the things he wants it to cover, since he covers the county for all other things. What are you thinking Bart, because you paused? BW: No, I was thinking that was incredibly cheap to insurance an airport. TR: Yeah, I was going to say it was \$4,045 it is going up a little bit, but it wasn't a huge increase because my number was about \$4500 it popped in my head, so I don't think it is that bad, just make sure and Russ has looked at it like last year, to make sure it covered all of the stuff that we need covered for us. I am going with it, we might send a copy to Russ when we are done, so that he always has a copy. AR: Oh absolutely. TR: I am good. BW: Motion; TR: Second: Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
9:10:04 AM	Discussion	TR: I guess I am supposed to do motion second with discussion, that is how I am supposed to do that. VH: Right TR: You want me to quit doing it out of turn. BW: I was a little confused but that's alright I am easily confused. I was still thinking that was going to be when we were talking about liability. TR: \$15,000 or \$20,000. BW: Yeah, yeah or 4 times that amount. TR: I always thought that was cheap. BW: Maybe because it is a rare; TR: Well, if a plane crashes it is probably not our fault type stuff too right. SL: So, does the Board take a look at that and make a recommendation to us or does this come right from the insurance

		company? AR: The insurance company make direct contact with us. VH: Yes; SL: Who pays that, do we pay that or does the Board pay that? VH: We did, we have historically. SL: So that is kind of a bill that comes in through the airport that is not in their finances? BW: Not in their budget? SL: Why wouldn't it be in their budget? VH: It is just like a regular, so other departments when you have the CORSA bill they don't get billed. The County pays the CORSA bill. This is just an additional insurance outside of CORSA Coverage that we... BW: But we should have Russ look at it. TR: But we back bill EMS for their coverage. VH: Yeah, okay that is true. Good Point. TR: Same thing if you ever want to know what an airport really costs you this should come out of their budget in my opinion. SL: Does Hillside pay their own insurance? TR: Hillside pays their own insurance but for some reason we just pay these guys. VH: I say this without looking at the actual details, but you give the general fund, you give them their money, so it is out of this pocket to put it back into this pocket. You are right Terry we will never know what it actually costs, but if came from us anyways. SL: I get that. VH: Yeah, SL I get that in budgeting, you would think that would be part of their budget. How do you know what your business is doing unless you know what your business is doing? BW: We can switch that up if we need too, right? VH: Yes, we can.
9:11:47 AM	Resolution 405	Updated Resolution to Proceed on behalf of Williams County OSU; BW: Motion; TR: Second: Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
9:12:16 AM	TR/VH/BW	I talked to the Auditor a while back about this one and the Senior Center one and it always seems like we write stuff down, the Prosecutor writes it down and then we send it to the Auditor, she sends it to Rick. Rick looks it all over and critiques it and then he sends it back and then we change it to whatever Rick says. I talked to her and said can we just hire Rick to write these, with Katie's approval of course and then it starts with Rick, he writes it, sends it to Katie for approval and then it goes through. I know there would be a charge for that but it always seems in my 10 years we don't know how Rick wants it written. It just seems like a big circle of. VH: The Secretary of State's Office released a publication to help local governments write ballot language. Ultimately it is the Board of Election's responsibility to make sure the language is compliant for the voter. So, it is really the local board's responsibility. We can draft a version of what it should say and we send it them and they are supposed to look it over and send it back to us, instead of it being Rick it is supposed to be the Board of Election who then sends it back and then sends it on to the Secretary of State for approval. So, can we do it, yeah sure. TR: It doesn't matter to me, it's just remember I said it out loud one day. I think it would save everyone some time as long as Katie wasn't offended that we just said can we start here.
9:14:03 AM	Resolution 406	Updated Resolution to Proceed on behalf of Department of Aging; BW: Motion; TR: Second: Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
9:14:41 AM	Levy Process	VH: So, just for my knowledge did this go to Board of Elections first and this is coming back. AR: This is to go to the Board of Elections. They received the first one, yes. BW: So, they can see it again. AR: Yes. BW: To Terry's point. TR:

		Exactly, it is the circle of life and it just seems to die and pick back up and Rick does this for a living, I mean that is his primary job, right. He is an attorney that does that stuff and we have all worked with him on that Board of Review, VH: Board of Revisions; TR: He is just a great guy, easy to get along with and I don't think he charges an arm and leg it is almost as if we ask him for a quote of how much would you charge for every one of these you do. A couple hundred bucks a piece, she is probably paying him a \$100 to review it, if he just wrote it first and Katie could review it, it seems like it would save everybody time. Katie also does Township Trustees, kind of the same thing, because my daughter as a clerk has said before, I always get it and then I get it back and I have to change it and by the time they get meetings aligned in order to make the changes, they run out of time sometimes, so they have to call special meetings to do it. VH: Let me send you a copy of the booklet, I got from Secretary of State's Office on how to write a ballot it might be good information for the township to look at. TR: Right, okay.
9:15:59 AM	Resolution 407	Entering into a Project Grant Agreement – Local Transportation Improvement Program between OPWC and Williams County Engineer; BW: Motion; TR: Second: Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
9:16:51 AM	Also Signed	Permit to Work Within County/Township Road Right-of-Way on behalf of Pierce Services on behalf of Frontier Communications. Here's the email regarding the information review for the dog tag and kennel fees. A meeting has been set up with Vickie on August 11 th at 10:00.
9:17:29 AM	TR/VH	Vond will you prepare like a profit and loss for that before we get there, for the dog tag review? VH: Sure: TR: Like how much do we spend and how much do we bring in? Because if I remember right, the last time we were losing four or five, 4,000 every year at the current, what we're charging for a dog tag right now with all our expenses, we were losing about 4,000 at the current. I think last year we said no, just let it go, there's money in the kitty, so to speak, or the doggie, so to speak. But we want to look at that as a profit and loss probably. And remember that one's always hard because it kills in December so you almost gotta run the report December through because we start collecting December's. Yeah, it's a really weird one. VH: Yeah, I know.
9:18:07 AM	BW/TR/AR	And I see that's on our calendar for next Tuesday. That was part of my phone blowing up yesterday I think, wasn't it? TR: Yeah, that was yesterday. (Laughter). TR: Thanks Anne. AR: You're welcome.
9:18:15 AM	Also Signed	Email from a resident on County Road regarding a tile.
9:18:31 AM	Tile Discussion	BW: Is that the one, did anybody respond to that yet? I did not. I was waiting to discuss that. TR: I'll just let the tile guy do it. SL: I didn't see it. BW: It sounds like they've done that (all talking). SL: Did Robin send me something? TR: (Inaudible) Scott cause he's the ditch guy. BW: Well, I think we need to find out from Todd what (inaudible) and respond. I did call the gentleman on O-30. TR: Bilton? BW: He was very pleased that they are doing something and thanked me for calling him. I said you have my number now if you need anything else call me rather than it progressing. He agreed, he's the next resident. He agreed it should

		be vacated. TR: Oh, does he? Good. Yeah, that makes. BW: He's concerned about the utilities going back there and that sort of thing. Apparently, nobody lives back there, they just come back there to spend a weekend and camp. TR: I gotcha.
9:19:11 AM	Conversation	BW: Yeah, I think that's an issue where people go back there and fish and he wanted to keep them off his property. And I get that too. TR: Whose pond, is it? BW: It's not a pond, it is on the river. TR: Oh, they fish the river. BW: Yeah. TR: Well, you could fish the river from the road or anywhere, walk the river down by it. BW: (Inaudible) fish by the bridge you (inaudible). TR: Yeah, or go to the old Blues Brothers bridge. BW: (Inaudible) besides carp. I can't imagine. You never know. SL: So, Todd knows about that already? BW: Hang on and we can talk to him when he comes in.
9:19:36 AM	Conversation	SL: Yeah, I was gonna say keep it on top of your pile down there. BW: They said they have, but, that's one side of the story. TR: Give that back to Scott so he can keep that on the top of his pile. AR: I'll make you a copy.
9:20:02 AM	TR	So, for every negative conversation we have about Hillside's cash, I just want to point that EMS has \$188,000 in their checkbook and that we just got a profit and loss from Kyle and Jesse a minute ago to where this month they're actually showing a \$33,000 loss, but they bought a, almost a \$50,000 truck and they spent \$12,000 for an insurance on time fee. So, if you took out those two major expenses, they actually profited, where's my math? I should be able to do it in my head. TR: 25,000 I think I wrote down. I scribbled over it. BW: It's about 40. VH: They were over 200. TR: So, they're doing very, very well and very proud of that division on top of saving lives like we just seen, they can actually save lives and make money. And I shouldn't say profit, I mean it's not like they're rolling in cash, but they're able to run it successfully & it's just really a good feeling to see.
9:20:58 AM	SL/BW	And they spent that, what did they spend fifty some thousand on a chassis and they're gonna spend another 40,000 to put the box over on that chassis? And that will probably. BW: Have a new truck basically. SL: Next month.
9:21:04 AM	TR	So realistically they'll have 150,000 in the bank at the end of the year.
9:21:10 AM	BW	They should have it by the first of November, in service. They are schedule for September, to get it actually put on.
9:21:17 AM	TR	It takes 40 to 45 days to put it on.
9:21:18 AM	SL/TR	Well at least they get to spread out the cost of all that so they don't have to take it all out of one month. TR: That too.
9:21:30 AM	SL/TR	Yeah, I think they're doing a great job running things out there. It's a whole lot different than it was a year and a half ago today. TR: Yep, very nice.
9:21:31 AM	Also Signed	Treasurer's Monthly Inventory Report as of July 31 st and Vickie's financial for the month ending July 31 st .
9:21:45 AM	AR	And then that's all I have until your 10:00.
9:22:10 AM	SL	Do you guys have anything else?

9:22:14 AM	BW/TR	BW: I have nothing at this time. TR: I have nothing.
9:22:15 AM	RECESS	SL: We will stand in Recess then.
9:57:35 AM	SL/Joe Short	Alright, we're in a joint ditch meeting with Fulton County. They're on the telephone. Hello fellows, how are you? Joe Short: Good, how are you doing? SL: Good. And this is for Owl Creek Ditch #448. We've got Brian Fritsch sitting here along with Jami. What do you have for us Brian?
9:58:04 AM	BF	So, we have two ditches to talk about today. Owl Creek and the Wilson. I will start with Owl Creek. I think everyone has a copy of the stats for Owl Creek. The balance as of the end of June was \$5,456.26. The charges from the previous year were \$9,813.62. There was no collection on Owl Creek last year. And for 2027 I am proposing a collection of \$23,000. Part of that will be due to spraying Owl Creek next year. That will be a ditch that gets sprayed. And then we also have a significant amount of work to do down at the very lower end. Several years ago, that was placed under maintenance and we have some log jams and some cleaning that needs to be done at that very lower end that we're planning on doing over the winter. And so that's why the collection's up this year. You will also see the breakdown between the two counties where Fulton County is 10-1/2% of the charge and Williams County 89-1/2. So, that's for Owl Creek. If there's any questions about that I'd be happy to answer them.
9:59:34 AM	Joe Short	We have none.
10:00:19 AM	Resolution 408	Maintenance Assessments for the Duplicate Year 2027 on Joint Ditch #448 Owl Creek with Fulton County. TR: I'll make a motion to approve; Joe Short: I'll second it; Roll Call: SL: Yes; BW: Yes; TR: Yes; Joe Short: Yes; RJ Lumbrezer: Yes; Motion Carried.
10:00:21 AM	BF	The second ditch would be the 445 Wilson. It's up in our Millcreek Township, north of Alvordton. And again, similar statistics. The balance at the end of June of this year \$2,980.25. We had \$1,016.39 charged against it. Again, there was no collection last year. And for the year 2027 we are proposing a collection of \$1,463. Again, primarily that is to cover the spraying activities on the Wilson ditch. Again, Fulton County's percentage would be 17.45% and Williams County's percent would 82.55. Is there any questions about the Wilson?
10:01:16 AM	Resolution	Maintenance Assessments for the Duplicate Year 2027 on Joint Ditch #445 Wilson with Fulton County. BW: I would make a motion that we proceed with it as proposed. Second: RJ Lumbrezer; Roll Call: SL: Yes; BW: Yes; TR: Yes; Joe Short: Yes; RJ Lumbrezer: Yes; Motion Carried.
10:01:54 AM	SL	That's it? Do you gentlemen have anything else for us? Joe Short: No sir.
10:01:57 AM	RK	I will go ahead and email the resolutions over to Jessica and have you guys sign and then we'll be all set.
10:02:12 AM	Joe Short	Yes, could you include Amanda also?
10:02:16 AM	RK	I can do that.

10:02:19 AM	Joe Short	Jessica is out this week so this way we'll speed it up.
10:02:22 AM	BW/Joe Short	Does anybody work over there? Joe Short: No, we don't, it's called Williams (Laughter). BW: Come on Joe.
10:02:36 AM	TR	One of your finest just walked in. Say hi Vond.
10:02:41 AM	VH/Joe Short/BW	VH: Hey. Joe Short: Hey, don't listen to anything they said. VH: Why are you zooming? TR: They don't know how to do it since you left. (Laughter). BW: Have a good day gentlemen.
10:02:53 AM	RECESS	Do we have anything else? We're gonna stand in Recess if you guys are all good with that. Alright, we're in Recess.
10:06:04 AM	SL	Alright, we are back in session with Brian Fritsch and he's gonna tell us how much money we're gonna spend on permanent maintenance this year.
10:06:17 AM	BF	So, you have a copy of the spreadsheet that lists all the permanent tiles, open ditches that we have in the county. And I've given you the collections for the three previous years, '24, '25 and '26 for a comparison. The proposed collection for 2027 is in the red column. You have the current balance and that is as of June 30 th of this year. And then we also have the income that the ditches brought in the previous year, and the total charges against the ditches in those previous year. But the column that I'm here for today primarily is the red column for the 2027 collections. And if you go to the last page that total amount would be \$546,524.
10:07:24 AM	SL/BF	And that's out of just the red column, right? BF: Correct
10:07:33 AM	TR	So, one that kind of snapped out at me was Beaver Creek main. It looks like you collected 25,000, 24,000, now 15,000. You must just be doing a crap ton of work on that?
10:07:45 AM	BF	Beaver Creek is one of the largest watersheds, and one of the longest systems that we have in the county. So, each year.
10:07:55 AM	TR	It gets something each year and it's probably gonna see something every year.
10:07:58 AM	BF	It gets work every year. Whether that's spraying, washouts, end tiles, cleanings, yeah.
10:08:08 AM	TR/BF	And I see Walnut Run's the same thing? BF: Correct
10:08:13 AM	TR	It's the second one that just looks like it gets kinda hammered. And it's still in the red, its current balance is negative 8,700 bucks.
10:08:20 AM	BF	Right. So, and with Walnut Run, last year, it was after collections were asked for last year, but we went in and did a significant amount of washout repair at kind of the lower end between County Road 21.75 and County Road, in Lockport, in that area. We hauled in over a hundred loads of concrete, fixing up washout areas. That ditch is kind of sandy soils and so it's kinda prone to washouts. So, we spent a significant amount of time and money there fixing those up with concrete.
10:09:02 AM	BW/BF	The one we were just talking about, right? BF: What's that? BW: That was the one we were just discussing that comes out of West Unity?

10:09:10 AM	BF	Yes. 610, Walnut Run. And there are some other, you know, to give you another, I tried to anticipate some of the work that we have to do in the upcoming year to try to spread out the assessments. The 644 Taylor you will see that that has a \$10,000 request for assessment on that. We have about 400 feet of 24-inch tile to replace on that. It's primarily a tile and it was built in the late 90's. What we are finding out is that it was a single wall tile that was put in. In the '90's, it was before the double wall tile came out. So, it was single wall tile that was placed in there and when they back filled it, it was not, it was back filled with the old clay chunks and the concrete chunks on top of it. So, after 30 years, 35 years it started to break down that single wall tile and we've got holes out in the fields and a significant chunk of that needs replaced. So, that's why you see the highest, you know, a high collection proposal for that tile was because we have work that's planned to be done to it. So, I try to bring some of those that are going to have a significant amount of work, plan for them to try to spread out the assessment but also anticipate what we're going to be doing so that we don't run it into the red.
10:11:00 AM	SL	What are they doing up there at Lake Seneca? Did they get that all tuned in?
10:11:06 AM	BF	They are currently in the process of finishing that.
10:11:09 AM	SL	Did they lower it under the road?
10:11:13 AM	BF/SL	I think last week they started, he lowered it about 5 to 6 inches underneath the road, yeah. SL: So, not a huge amount?
10:11:19 AM	BF	Not a large amount, no. But then that's, you know, we have tile to replace at the, on the Boyer tile, we have that to replace then through the field. We have that as a project that we're doing this year. And usually the language for the resolution states that as we do the assessments, if there's any parcels that split between now and then, or, the amount may change slightly. Especially on the ones that are only doing the minimum collection. If we've had a split, then that would add, you know, one more parcel, \$10 more. So, the number could fluctuate just a little bit as we go through and do the assessments this fall.
10:12:22 AM	TR/RK/SL/BF	Do we have a resolution to move forward with this? RK: We do. TR: I'm good if you guys are. SL: Yeah, it's fine. I hate it all, so. (Laughter). TR: For the record. SL: For the record. BF: I feel the love when I come in here. TR: It's better than the first time you came in. RK: I just need a motion. TR: Well, are you gonna read the resolution? That's how we usually do it. RK: Yep.
10:12:30 AM	Resolution 410	Permanent Maintenance Rates of Ditches for FY 2027; BW: Motion; TR: Second. Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
10:13:33 AM	SL	SL: One more thing on that. We've been talking about putting our equipment in a building at the county garage. Are we moving forward with any of that? BF: Nothing has moved forward with it. I don't know if we're waiting. SL: Something to bring up to Todd maybe? BF: Right. Yeah, I think it's a discussion to be had. I don't know if he is waiting for your approval to do it, or if he doesn't need your approval, I don't know. I don't know what the process is. SL: I'll bring it up with Todd. BF: But I think it's worth having a discussion.

10:14:31 AM	RECESS	SL: We stand in Recess if nobody has anything else. BW: I'm good, thanks. SL: In Recess.
10:54:04 AM	SL	Alright, we are back in session. We have Todd Roth here, the County Engineer. You've got the floor Todd.
10:54:13 AM	Todd	Okay, I'll do this so you have something to look at. Stuff to throw away later.
10:54:24 AM	SL	These will make good order forms.
10:54:35 AM	Todd	Anne, I'll give you a copy of what I just gave them.
10:54:38 AM	Todd	So, the question to us is about assessments. And, so what you have, real quick, this, this is what was created at Nettle Lake in '96 and it is in the packet that you have, okay? And it, more or less what it says unless I am reading it wrong, the assessment equalization charges. And what it does is it adds on an escalation charge for each year above and beyond when the original assessment was issued. So, inflationary costs. And they go through, and in the end, they give an example, on the very last page. It says built in '99, or let's see, from '96 to '97 to '98, and they just simply take a 1.03, and then it's 1.035, and it keeps adding on to that original, okay? So, that's how it was set up originally.
10:56:01 AM	Todd	These pages just shows you there's a lot up off of, uh.
10:56:16 AM	BW	Bancroft.
10:56:23 AM	Todd	Bancroft, yeah, which is County Road R, more or less where R comes and then turns. Building a house, cottage whatever it might be. And April, on this last page, has done that summary of, you take the 4,000 from '96 and then you just keep adding years to it and all of the sudden in 2026 that amount is \$8,212.70, okay? So, they want to build, they want to connect to the sewer, and that is the fee to get you to connect to the sewer.
10:57:08 AM	BW	When was the last time we've had somebody building up there that we've had to use this chart? Prior to this gentleman?
10:57:17 AM	Todd	We've used it a couple times. Bona Vesta's another example of where we used it. Nettle Lake and. So, what we look at then is, is there, was there a tap put in when it was originally done? And that is what the, I mean, that's what the assessment is doing, is it's their contribution to the cost to the build the sewer system there. And, so like this one doesn't have a tap so we're gonna have to put one in. And that's part of what that assessment cost covers. So, we obviously they don't want to, people don't want to pay more than they have to. I get it. I just need to make sure we are on the same page with this assessment charge and the inflation increases getting it to where it is today. If you want to look at it differently, if you want to eliminate it, however you want to handle it. We just need to be careful on what we do in moving forward. I just need to be able to say listen, this is what it is. If you don't want to pay this then you don't connect to our sewer.
10:58:37 AM	SL	How much does it cost to put a tap in?

10:58:45 AM	Todd	So, it depends if it's on the same side of the road or across the road. There's a big difference. So, this one won't be too bad.
10:58:49 AM	SL	Are they pressurized?
10:58:51 AM	Todd	This is actually a gravity, a short gravity section. So, we will go in, it's not real deep so, you know, we will go in and put a T or a tap in and put a section or two of pipe out of it. I don't know what we'll have. We'll probably have, I don't know, I hate to even throw a number out there.
10:59:14 AM	SL	Do your guys, will we let them do it themselves?
10:59:22 AM	Todd	No. If, well, so this, since they are paying the assessment it is our obligation to have that tap ready and available for them. That's what everybody else did in '96. They brought a tap to the right-of-way line, to the property line, and that was part of that assessment cost. So, paying the assessment cost means we need to have, and there was no tap, these lots are actually, there's like an alleyway here and these lots are off of that, so there was no tap put in for this one. So, we're.
11:00:00 AM	BW	You don't know (inaudible) County Road R up?
11:00:05 AM	Todd	Yeah, so we're gonna put one in and that was.
11:00:06 AM	TR	You're gonna sub it out 20 feet and then it's their responsibility to go to it. So, they're gonna have to go 200 feet probably, right?
11:00:13 AM	Todd	It's probably about 150 feet, yeah.
11:00:16 AM	TR	Additional that's on them to have to do it and not our problem.
11:00:21 AM	Todd	No.
11:00:27 AM	TR	Do you by chance have the last time somebody hooked up to one that they had to pay for one? What they paid? In Nettle Lake. Do you have a clue of any?
11:00:39 AM	Todd	Well, I can tell you in '24, which is when this, this property owner first inquired about it. His fee was 7,600.
11:00:52 AM	TR	Yeah, and every year it just keeps.
11:00:53 AM	Todd	It's gonna go up. You know, everybody else that has been paying on their assessment, you know.
11:01:01 AM	SL	Fifty bucks.
11:01:04 AM	Todd	You know, started it, started it way back when, you know.
11:01:09 AM	SL	Is this an assessment or monthly?
11:01:15 AM	Todd	Assessment.
11:01:17 AM	SL	So, everybody up there was assessed project costs. We didn't have grant money to do it.
11:01:25 AM	Todd	No, so.
11:01:28 AM	SL	And that was like a, how many year deal did they do that? Twenty years?

11:01:30 AM	Todd	So, I can't tell you when the debt expires on this one.
11:01:39 AM	SL	So, there's no more assessments? They're all paid off?
11:01:40 AM	Todd	No there are, there are assessments. I think this is the, I think Nettle Lake is the last of our assessments on all of our sewer systems. And there's still debt associated with Nettle Lake.
11:02:07 AM	SL	The assessments didn't clear the debt?
11:02:14 AM	Todd	Yeah, some bad, yes, eventually yes. Eventually yes.
11:02:30 AM	BW	So, if we go back to, what did you say it was, what year it was when they used the \$7,600 or whatever?
11:02:30 AM	TR	'24.
11:02:32 AM	Todd	Yeah, it went up what, a little bit over 1%. No, actually higher than that.
11:02:33 AM	BW	So, in two years it went up
11:02:47 AM	Todd	You know, you look at '23, '22, '23, you know, inflation has just skyrocketed.
11:02:57 AM	BW/Todd	So, it's inflationary rate that's causing it to, but at the same point and time if I did it back in '97 I paid \$4,000 for it. Todd: And you were done. BW: Yeah, but he will be done here also. So, inflationary rate, that's what's figured into it. Now my question also is, I'm looking at the map right now. And that road could actually open to the one on up north of it.
11:03:19 AM	Todd	Through the swamp.
11:03:25 AM	BW	Are we putting, it is through the swamp? So, nobody's going to develop through that. Is this another swamp? Right on the edge of it? I thought that was really wet through there. So, there's no reason to put in enough of a pipe that can be extended for other development north of this one.
11:03:35 AM	Todd	I wouldn't do it. But they can do it if they want to do it at their own costs. You know, that's the thing about sewers. We don't make money on sewers. Sewers are just because we have to have it. And so, you know, they used to do a lot of sewer systems and the thought was well I'm gonna put it out here and we're gonna expand and people are gonna. It does not pay for itself. You know, you get into such high costs to put it in the ground. And then we try to keep our rates as low as we can for everybody else and it just, it just does not pay for itself.
11:04:15 AM	BW	That's still about a third of the cost to put in a septic/leach system. You are looking at about 25 grand today to do that. To put your own system in.
11:04:22 AM	SL/Todd	That's only tap fees. So that's gonna, 150 feet. At what, 3 bucks a foot? Todd: I don't know. SL: It's probably more than that.
11:04:32 AM	Todd	It might be somebody that can put it in themselves, you know, on their own, on their own lot. I don't really know, I don't know the people. It's just, this is the way it was set up in '96. And that's the current regulation that we have. And that's

		what April does, is she works up the sheet and she takes the inflationary costs and then there is your bill.
11:05:04 AM	BW	Again, it would be interesting to see who has paid for this since then.
11:05:19 AM	SL	Do you have a recommendation?
11:05:25 AM	Todd	Do I have a recommendation? Yeah, they pay the bill, I mean there is debt, others have done it, others, you know, have been paying bills on it.
11:05:41 AM	BW	The formula was set up for a reason.
11:05:48 AM	TR	It's cheaper than a septic tank, right? I was all set to say boy, that's a lot, we should really (inaudible), you know, a septic system, it's like I'm just getting ready to put one of them in.
11:06:00 AM	Todd	So, here is the problem if you make an exception. So, this one, the tape is, I don't want to say easy, it's an easier tap, okay? Let's say the next one comes in and the tap is gonna be on the other side of the road and under the road and it's gonna have to be something, and it's gonna be 15 feet deep. And it's gonna cost me 9,000 to get that tap put in.
11:06:28 AM	BW	I just put in one across in West Unity. Horizontal, about \$8,500 to drill it underneath the road. Period. And that was not even hooking up. The tap fee. That was just the boring fee.
11:06:41 AM	Todd	So, we are going to have a, well the one we did in Bona Vesta not that long ago costs us \$7,000, \$7,500.
11:06:58 AM	TR (MOTION)	I would like to make a motion that leave it as it stands, as the way it is.
11:07:07 AM	Todd	I just want to make sure we're on the same page because I, I'm, you know, we will respond to them and say this is what it is. I can't help you. The other question that he asked, before, can I add one more thing? Can it be put on as an assessment? Originally, when they were done it was set up as an assessment and those assessments are established, typically prior to, okay? And so, they could be put on for X number of years. And so, he asked could this be put on his taxes which would be an assessment.
11:07:46 AM	TR/Todd	How did we do Bona Vesta? Has that been done yet? Because it's a bitch to put them on as an assessment. Vickie has heartburn over it. Todd: I don't know that you can. TR: I think it's a nightmare to do it for accounting purposes. Oh yeah by the way your taxes, oh wait this is one we've gotta add manually to it. You know, let's not create a nightmare for Vickie. If you're building a new house, eight grand, who cares? I mean.
11:08:06 AM	Todd	I know they are going to have a cost to get to it, but you have that regardless. Everybody has that.
11:08:14 AM	BW/Todd	It is no different than somebody building off the road and you've got a driveway to put in. It's expensive to put a driveway in. It's all part of construction. So, could it be put on their tax over X number of years? That would be 100%.

11:08:29 AM	TR (Amended Motion)	I will amend my Motion to say that it's not going to go on the tax bill either.
11:08:42 AM	BW (Second)	I'll second that.
11:08:50 AM	AR (Roll Call)	Roll Call: TR: Yes; BW: Yes; SL: Yes; Motion Carried.
11:08:58 AM	BW	Now I have a question for you. What is that gentleman's name, about a hole in his yard. AR: On County Road 12?
11:09:30 AM	AR/SL	And Todd, I don't show the debt being paid off until 2036. SL: Right around the corner.
11:09:38 AM	Todd	Oh, I know what this is about. We are, we're still waiting on the contractor. I mean, it truly is, it's very deep.
11:09:54 AM	TR	It's a tile of record or something? Something we're gonna, we have to take care of? We're gonna take care of it?
11:09:55 AM	Todd	Yeah, and so, it's deep and I've talked to a contractor 3 times. And he's promised me he would go out and look at it. I can get a different contractor, but it's not a matter of we're not doing anything. We're truly trying to find somebody that's willing to bring a box in, because they're gonna have to set a box. And go down and resolve the issue. So, and Brian asks me about it every two weeks. Did so and so, and I'm not gonna say the name of the contractor, but did so and so get back with you yet? No.
11:10:29 AM	TR	How big of a tile is this?
11:10:33 AM	Todd	It's probably 8- or 12-inch tile.
11:10:36 AM	TR	So, it's not huge. Todd: It's not big, it's just probably.
11:10:37 AM	SL	What is that (inaudible) feet deep?
11:10:37 AM	Todd/TR	Ten, twelve feet deep. And we don't really know where it is. The depression is right here, and those things, you know, it could be six feet this way or six feet this way. TR: We'll respond back that says we're on it. Todd: So, I understand his frustration, but we're just as frustrated.
11:11:11 AM	BW	Okay, very good. Todd: And one of the things we're finding is there's not a lot of contractors, you know, that handle. BW: Small jobs like that. Todd: It's because of the depth.
11:11:13 AM	TR	Well, but.
11:11:13 AM	SL	Small job.
11:11:15 AM	BW	Well, but to take equipment out there, it's not a lengthy job.
11:11:17 AM	Todd	It's going to cost us a fortune to do that repair.
11:11:23 AM	BW	The other gentlemen with the, the vacated street, or road. I talked to him, called him about it. He was very satisfied that that's what, he said that would be the best thing to do with it. And I said our problem is we just can't get a hold of the guy.

		He said he was back here last weekend. Well, that doesn't help us. I think he goes back there and camps is what he is doing probably.
11:11:39 AM	Todd	I have been back there twice hoping that they would make contact. I'm assuming they have cameras. And I haven't. Nobody's contacted me. The next step was to either cut the lock and open it, but I would rather send, so I'll make sure that I get that letter out.
11:12:01 AM	BW	Alright, that's fine.
11:12:03 AM	Todd	And I'll give them a time and then we'll just cut the lock and open the gate.
11:12:04 AM	BW	Okay, and then they can proceed from there how they want to do it. Thank you, I appreciate it.
11:12:07 AM	SL	Are you getting anywhere with the Sloan ditch? The Sloan project?
11:12:11 AM	Todd	Waiting on the contractor. It is 100% in the hands of the contractor. And again, it goes back to that, you know, that they're busy and having somebody you know and trust.
11:12:27 AM	TR	It is worth the wait, right?
11:12:32 AM	Todd	It is. In the end it is. Actually, we just had this conversation this morning in our office about a contractor we're working with right now fairly new to us and my comment to Jared was, you know, build that relationship. You know, we'll treat you with respect, you treat us with respect. Because we need some more of you.
11:12:56 AM	BW	Thank you.
11:12:59 AM	SL	Okay, do you guys have anything else?
11:13:00 AM	Comm	TR: I don't. BW: No, thank you.
11:13:01 AM	ADJOURNED	SL: We stand Adjourned.

In the Matter of
MVPO Project 3 City of Bryan Wastewater

The Board of Williams County Commissioners met in regular session on the above date with the following members present:

Scott A. Lirot, Yes Bartley E. Westfall, Yes Terry N. Rummel, Yes

Commissioner Westfall moved adoption of the following resolution:

WHEREAS, on July 23, 2026, bids were received for the Maumee Valley Planning Organization (MVPO) Project 3: City of Bryan Wastewater Collection Improvements, and three (3) bids were received by:

- S&S Directional Boring - \$839,250

RESOLUTION 26-0405

COUNTY COMMISSIONERS' OFFICE
WILLIAMS COUNTY, BRYAN, OHIO
August 4, 2026

In the Matter of

AN UPDATED RESOLUTION TO PROCEED WITH SUBMITTING THE QUESTION OF THE RENEWAL OF AN EXISTING TAX LEVY AS AUTHORIZED UNDER OHIO REVISED CODE SECTION 5705.19(WW) FOR THE OHIO COOPERATIVE EXTENSION SERVICE FUND CREATED UNDER SECTION 3335.35 OF THE REVISED CODE FOR PURPOSES PRESCRIBED UNDER SECTION 3335.36 OF THE REVISED CODE, INCLUDING EDUCATIONAL ACTIVITIES RELATED TO AGRICULTURE, NATURAL RESOURCES, AND 4-H PROGRAMS FOR THE BENEFIT OF THE CITIZENS OF WILLIAMS COUNTY, OHIO.

The Board of Williams County Commissioners met in regular session on the above date with the following members present:

Scott A. Lirot, Yes Bartley E. Westfall, Yes Terry N. Rummel, Yes

Commissioner Westfall moved adoption of the following resolution:

WHEREAS, the Williams County OSU Extension Office has requested a renewal of the 0.4 millage operating levy for operating expenses first levying in Tax Year 2027, first collected in Calendar Year 2028;

WHEREAS, on June 25, 2026, the Board of Williams County Commissioners passed the Resolution of Necessity;

WHEREAS, on June 30, 2026, the Williams County Auditor filed her Certificate of Estimated Property Tax Revenue with the Board of Williams County Commissioners: Levy Type: Renewal, Property Tax Review that will be produced by four tenths (0.40) mill throughout the life of the levy is calculated to be \$311,924. The total taxable value of the subdivision used in calculating the estimated property tax revenue is \$1,182,325,260. The millage for the requested levy is (.40) mills per \$1 of taxable value, which amounts to \$8.00 for each \$100,000 of the county's market value;

WHEREAS, the Board of County Commissioners is authorized, pursuant to Section 5705.19(WW) of the Revised Code, to submit the issue of a renewal of the 0.4 mill tax operating levy to the electors of the County; and

WHEREAS, this Board has determined that for the Ohio cooperative extension service fund created under Section 3335.35 of the Revised Code for the purposes prescribed under Section 3335.36 of the Revised Code, including educational activities related to agriculture, natural resources, and 4-H programs for the benefit of citizens of Williams County, Ohio, it is necessary that the aforesaid a renewal of the 0.4 mill tax levy be placed on the ballot;

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of the County of Williams, Ohio, two-thirds of all members of said Board elected thereto concurring, that:

Section 1: It is hereby found, determined and declared that the amount of taxes which may be raised by this County within the ten-mill limitation by levies on the County's current tax list and duplicate will be insufficient to provide an adequate amount for the Ohio cooperative extension service fund and that it is necessary to levy an additional tax in excess of such limitation for the purposes prescribed under Section 3335.36 of the Revised Code, including educational activities related to agriculture, natural resources, and 4-H programs for the benefit of citizens of Williams County, Ohio, in the amount of 0.4 mills for a five-year period.

Section 2: The question of the aforesaid tax levy for the purposes prescribed under Section 3335.36 of the Revised Code, including educational activities related to agriculture, natural resources, and 4-H programs for the benefit of citizens of Williams County, Ohio, for a five-year period of time, beginning with the tax list and duplicate for the tax year 2027, the proceeds of which levy first would be collected in calendar year 2028, shall be submitted under the applicable provisions of the Revised Code, including without limitation Section 5705.19, to the electors of Williams County at an election to be held therein on November 3, 2026, as authorized by law. That election shall be held at the regular places of voting in this County as established by the Board of Elections of this County, or otherwise, within the times provided by law and shall be conducted, canvassed and certified in the manner provided by law.

Section 3: A renewal of a tax benefit of Williams County for the purpose of educational activities related to agriculture, natural resources, and 4-H programs, that the county auditor estimates will collect \$311,924 annually at a rate not exceeding 0.4 mills for each \$1 of taxable value, which amounts to \$8 for each \$100,000 of the county auditor's market value, for 5 years, commencing in 2027, first due in calendar year 2028.

Section 4: The Clerk of this Board is hereby authorized and directed to give or cause to be given notice of said election as provided by law.

Section 5: The Clerk is hereby directed to certify a copy of this resolution to the Board of Elections of Williams County, Ohio prior to the 90th day before the general election to be held in Williams County, Ohio on November 3, 2026 and notify said Board of Elections to cause notice of election on the question of levying said tax to be given as required by law.

Section 6: This resolution shall be in full force and effect from and immediately upon its adoption.

BE IT FURTHER RESOLVED, that it is further found and determined that all formal actions of this Board concerning and relating to the adoption of this Resolution were so adopted in an open meeting of this Board and that all deliberations of this Board and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

Commissioner  seconded the motion.

PROJECT GRANT AGREEMENT

LOCAL TRANSPORTATION IMPROVEMENT PROGRAM

Pursuant to Ohio Revised Code Chapter 164 and Ohio Administrative Code 164-1, this Project Grant Agreement ("Agreement") is entered into on July 1, 2026

The Agreement is between the State of Ohio, acting by and through the Director of the Ohio Public Works Commission ("Director" or the "OPWC"), and

Williams County

("Recipient"), in respect of the Project named

US 6 Improvements

as described in Appendix A of this Agreement ("Project") to provide 45.9 % of the total Project cost ("Participation Percentage"), not to exceed \$200,000

for the sole and express purpose of financing or reimbursing costs of the Project as more fully set forth in this Agreement and the Appendices as attached.

OPWC Project ID: DEAD05

RECITALS

The Local Transportation Improvement Fund created under Ohio Revised Code Section 164.14 is to benefit local subdivisions for the planning, construction, reconstruction, and improvement of roads, streets and bridges;

Pursuant to Ohio Revised Code Section 164.02, the Ohio General Assembly created the Ohio Public Works Commission (OPWC) to implement the policies set forth in Article VIII of the Ohio Constitution and Ohio Revised Code Chapter 164;

Pursuant to Ohio Revised Code Section 164.05, the Director is empowered to (i) enter into agreements with Local Subdivisions to provide loans, grants, and local debt support for Capital Improvement Projects; and (ii) authorize payments to Local Subdivisions or their Contractors for costs incurred for Capital Improvement Projects;

Pursuant to Ohio Revised Code Section 164.14, the Director is empowered to review and approve or disapprove requests for financial assistance from the District Public Works Integrating Committees in accordance with the criteria set forth in Ohio Revised Code Sections 164.14(C) and (E);

Ohio Revised Code Section 164.14 permits a grant of funds for such a Capital Improvement Project to be expended or provided only after the District Committee has submitted a request to fund the Project to the Director outlining the Recipient's planned use of the funds, and subsequent approval of the request by the Director;

The Recipient desires to engage in the Capital Improvement Project described in Appendix A of this Agreement; and

The Project has been duly recommended to the Director pursuant to Ohio Revised Code Section 164.06 by the District Committee of which the Recipient is a part.

In consideration of the contained promises and covenants, the undersigned agree as follows:

I. **DEFINITIONS.** The following words and terms as used in this Agreement shall have the following meanings.

"Capital Improvement" or "Capital Improvement Project" means the acquisition, construction, reconstruction, improvement, planning and equipping of roads and bridges.

"Chief Executive Officer" means the single office or official of the Recipient and as designated in Appendix A pursuant to Section V. A. or authorized designee as per written notification to the Director.

"Chief Fiscal Officer" means the single office or official of the Recipient and as designated in Appendix A, pursuant to Section V. A, or authorized designee as per written notification to the Director.

"Contractor" means a person who has a direct contractual relationship with the Recipient and is the manufacturer of all or a portion of the Project, or the provider of labor, materials or services in connection with the acquisition, improvements, construction, reconstruction, expansion, or engineering of the Project; or both.

"Cost of Project" means the costs of acquiring, constructing, reconstructing, expanding, improving and engineering projects and shall also be deemed to include preliminary costs, including but not limited to, planning costs, design costs.

"District Committee" means the District Public Works Integrating Committees and the Executive Committees created pursuant to Ohio Revised Code Section 164.04.

"Effective Date" means the date set forth on Page One of this Agreement.

“Eligible Project Costs” means such portion of the Project costs disbursed from the OPWC to the Recipient for the sole and express purpose of acquiring, constructing, reconstructing, expanding, improving, engineering and equipping the Project, other direct expenses, and related financing costs.

“Local Subdivision” means a county, municipal corporation, or township of the State.

“Local Subdivision Contribution” means the Local Subdivision financial share used for the sole and express purpose of paying or reimbursing the costs certified to the Director under this Agreement for the completion of the project. Such funds shall constitute a specified percentage of the total Cost of Project set forth in Appendix B and may consist of money by any person, any Local Subdivision, the State of Ohio, or the federal government or of contributions in-kind by such parties through purchase or donation of equipment, land, easements, labor, or materials necessary to complete the Project.

“Participation Percentage” means the percentage of the total actual Project costs that will be contributed by the OPWC, not to exceed the maximum dollar contribution of the OPWC identified in this Project Agreement, and the percentage of the total actual Project costs that will be contributed by the Recipient. Both percentages are identified in Appendix B. If the total actual Project costs exceed the estimated Project costs identified in Appendix B, the Local Subdivision Participation Percentage will increase to reflect the cost overrun, while the OPWC percentage contribution will decrease recognizing that there is a maximum dollar contribution from the OPWC which is identified in this Project Agreement.

“Project” means the scope of work specified in Appendix A.

“Project Manager” means the principal employee or agent of the Recipient having administrative authority over the Project designated in Appendix A pursuant to Section V.A., or authorized designee as per written notification to the Director.

“State” means the State of Ohio.

- II. GRANT OF FINANCIAL ASSISTANCE. Subject to the terms and conditions contained in this Agreement, the Director hereby grants to the Recipient financial assistance, as established in this section, for the sole and express purpose of paying or reimbursing the eligible costs certified to the Director under this Agreement for the completion of the Project.
- A. *The Grant.* The Director hereby agrees to provide financial assistance in the form of a grant, from the Local Transportation Improvement Fund, at the rate of 45.9 % not to exceed Two Hundred Thousand Dollars (\$ 200,000).
- B. *Joint Funded Project with the Ohio Department of Transportation.* For those projects advertised, awarded and administered by the Ohio Department of Transportation (ODOT), the Recipient and the Director hereby assign certain responsibilities to the ODOT, an authorized representative of the State of Ohio. Notwithstanding Sections V.A., V.B., and V.C. of the Project Agreement, the Recipient hereby acknowledges that upon notification by the ODOT, all payments for eligible project costs will be disbursed by the Director and the OPWC directly to the ODOT. A Memorandum of Funds issued by the ODOT shall be used to certify the estimated project costs. Upon receipt of a Memorandum of Funds from the ODOT, the OPWC shall transfer funds directly to the ODOT via an Intra-State Transfer Voucher. The amount or amounts transferred shall be determined by applying the Participation Percentages defined in Appendix B to those eligible project costs within the Memorandum of Funds.
- III. LOCAL SUBDIVISION CONTRIBUTION. The Recipient shall, at a minimum, contribute to the Project the Local Subdivision Participation Percentage as set forth in Appendix B of this Agreement. In the event that the total actual Project costs exceed the estimated Cost of Project identified in Appendix B, the OPWC shall not be required to increase the maximum amount of the grant and the Recipient shall increase its Local Subdivision Contribution to meet such actual Cost of Project.

- IV. PROJECT SCHEDULE. Construction of the Project must begin within one year of the Effective Date of this Agreement, or this Agreement may become null and void at the sole discretion of the Director. A preliminary construction schedule is provided in Appendix A. Delays, with reason for the delay(s), must be communicated to the Director as soon as possible. The Director will review written requests for extensions and may extend the construction start date taking into consideration the Project can be completed within a reasonable time frame. Failure to meet the schedule without approval for an extension may cause this Agreement to become null and void at the sole discretion at the Director.
- V. DISBURSEMENTS. All payments made by the OPWC shall be made directly to the contractor that performed the work on the Project and originated the invoice unless the Recipient requests reimbursement. The following provisions apply to Project disbursements:
- A. *Project Administration Designation.* Pursuant to Ohio Administrative Code 164-1-21(B)(1-3), the Recipient shall designate its Chief Executive Officer, Chief Fiscal Officer, and Project Manager in Appendix A of this Agreement. The Director and OPWC must be notified of changes in these designations in writing including the addition of designees or alternates.
- B. *Disbursements to Contractors to Pay Costs of the Project.* The Recipient shall submit to the Director a Disbursement Request together with the information and certifications required by this section, unless otherwise approved by the Director. The dollar amount set forth in the Disbursement Request shall be calculated based on the Participation Percentage set forth on Page One of this Agreement or as amended, to account for changed conditions in the Project financing scheme. If all requirements for disbursement are deemed by the Director to be accurate and completed, the Director shall initiate a voucher in accordance with applicable State requirements for the payment of the amount set forth in the Disbursement Request. The Office of Budget and Management, Ohio Shared Services, will forward the warrant, drawn in connection with the voucher, by regular first-class United States mail or electronic funds transfer to the contractor or other authorized recipient designated in the Disbursement Request. Prior to any disbursement from the Fund, the following documents shall be submitted to the Director by the Recipient:
1. If the request is for disbursement to a Contractor, an invoice submitted to the Recipient by the Contractor which invoice requests payment of such sums in connection with its performance of the Project;
 2. If the request is for disbursement to the Recipient, proof of payment of the invoice such as check, warrant, or other evidence satisfactory to the Director that payment of such sums has been made by the Recipient in connection with the portion of the Project for which payment is requested;
 3. A Disbursement Request Form properly certified by the Chief Executive Officer and the Chief Fiscal Officer; and
 4. Such other certificates, documents and other information as the Director may reasonably require.
- If the Director finds that the documents comply with the requirements of this Agreement, the Director is authorized to cause the disbursement of moneys from the Fund for payment of the identified Project costs. The Recipient represents that the Project was initially constructed, installed or acquired by the Recipient no earlier than the Effective Date of this Agreement.
- C. *Limitations on Use.* No part of the moneys delivered to the Recipient pursuant to Section II is being or will be used to refinance, retire, redeem, or otherwise pay debt service on all or any part

of any governmental obligations regardless of whether the interest on such obligations is or was excluded from gross income for federal income tax purposes.

D. *Project Scope.* The physical scope of the Project shall be limited to only those Capital Improvements as described in Appendix A of this Agreement. If circumstances require a change in such physical scope, the change must be approved by the District Committee, recorded in the District Committee's official meeting minutes, and provided to the Director for the execution of an amendment to this Agreement.

E. *Project Cost Overruns.* If the Recipient determines that the moneys granted pursuant to Section II, together with the Local Subdivision Contribution, are insufficient to pay in full the costs of the Project, the Recipient may make a request for supplemental assistance to its District Committee. Pursuant to Ohio Administrative Code Section 164-1-23, the Recipient must demonstrate that such funding is necessary for the completion of the Project and the cost overrun was the result of circumstances beyond the Recipient's control, that it could not have been avoided with the exercise of due care, and that such circumstances could not have been anticipated at the time of the Recipient's initial application. Should the District Committee approve such request, the action shall be recorded in the District Committee's official meeting minutes and provided to the Director for the execution of an amendment to this Agreement.

VI. CONDITIONS TO FINANCIAL ASSISTANCE AND ITS DISBURSEMENT. The Recipient must comply with the following before receiving funds:

A. The Recipient certifies that the Local Subdivision Contribution necessary for the completion of the Project is available or expected to be available through the construction of the Project and must demonstrate its compliance with the provisions of Ohio Revised Code Chapter 164 and Ohio Administrative Code Chapter 164-1. If the local share as certified by the Chief Fiscal Officer at the time of the Project application becomes unavailable, the Recipient is to notify the Director and the OPWC as soon as possible or this Agreement may become null and void at the sole discretion at the Director.

B. The Recipient shall execute all other documents and certificates as deemed necessary by the Director, on the date hereof or at any time hereafter in connection with the financial assistance and disbursement of moneys pursuant to this Agreement, including any amendments to this Agreement.

VII. REPRESENTATIONS, WARRANTIES AND COVENANTS OF RECIPIENT. Recipient represents warrants and covenants for the benefit of the Director as follows:

A. The Recipient is a Local Subdivision of the State with all the requisite power and authority to construct, or provide for the construction of, and operate the Project under the laws of the State and to carry on its activities as now conducted.

B. The Recipient has the power to enter into and perform its obligations under this Agreement and has been duly authorized to execute and deliver this Agreement which must be within forty-five (45) days of its receipt.

C. This Agreement is the legal, valid and binding obligation of the Recipient, subject to certain exceptions in event of bankruptcy and the application of general principles of equity.

D. The Recipient has complied with all procedures, prerequisites and obligations for Project application and approval under the Ohio Revised Code Chapter 164 and Ohio Administrative Code Chapter 164-1.

E. The Recipient is not the subject of, or has it initiated any claim or cause of action that would give rise to any liability which would in any way inhibit Recipient's ability to carry out its performance

of this Agreement according to its terms.

- F. *Use of Proceeds.* With respect to the Project to be financed or reimbursed by moneys granted pursuant to Section II:
1. The total cost of the Project shall not and will not include any cost which does not constitute "Costs of Capital Improvements Projects," as defined in Ohio Revised Code Section 164.01(F);
 2. All the Project is owned, or will be owned, by the Recipient or another Tax-Exempt Organization, upon providing prior written notice to the Director.
- G. *Sufficiency of Moneys.* The Recipient has sufficient moneys in addition to those granted to Recipient pursuant to this Agreement to fund the Project to completion, as its Local Subdivision Contribution.
- H. *Construction Contract.* If federal funds are included as part of the financing of the non-OPWC portion of the Project, federal law may prevail, including, but not limited to, application of Davis Bacon prevailing wage rates, the Copeland "Anti-Kickback" Act, the Contract Work Hours and Safety Standards Act, and any federal environmental regulations. Recipient is solely responsible for ensuring compliance with federal requirements applicable to its Local Subdivision Contribution. Notwithstanding the above, the following provisions apply to construction contracts under this Agreement:
1. *Ohio Preference.* The Recipient shall, to the extent practicable, use and shall cause all its Contractors and subcontractors to use Ohio products, materials, services and labor in connection with the Project pursuant to Ohio Revised Code Section 164.05(A)(6);
 2. *Domestic Steel.* The Recipient shall use and cause all its Contractors and subcontractors to comply with domestic steel use requirements pursuant to Ohio Revised Code Section 153.011;
 3. *Prevailing Wage.* The Recipient shall require that all Contractors and subcontractors working on the Project comply with the prevailing wage requirements contained in Ohio Revised Code Sections 164.07(B) and 4115.03 through 4115.16;
 4. *Equal Employment Opportunity.* The Recipient shall require all Contractors to secure a valid Certificate of Compliance;
 5. *Construction Bonds.* In accordance with Ohio Revised Code Section 153.54, et. seq., the Recipient shall require that each of its Contractors furnish a performance and payment bond in an amount at least equal to 100% of its contract price as security for the faithful performance of its contract;
 6. *Insurance.* The Recipient shall require that each of its construction contractors and subcontractors maintain during the life of its contract or subcontract appropriate Workers Compensation Insurance, Commercial General Liability, Public Liability, Property Damage and Vehicle Liability Insurance, and require Professional Liability Insurance for its professional architects and engineers; and
 7. *Supervision.* The Recipient shall provide and maintain competent and adequate Project management covering the supervision and inspection of the development and construction of the Project and bear the responsibility of ensuring that construction conforms to the approved surveys, plans, profiles, cross sections and specifications.

- VIII. PROGRESS REPORTS. The Recipient shall submit to the Director, at the Director's request, summary reports detailing the progress of the Project pursuant to this Agreement and any additional reports containing such information as the Director may reasonably require.
- IX. AUDIT RIGHTS. The Recipient shall, at all reasonable times, provide the Director access to a right to inspect all sites and facilities involved in the Project and access to and a right to examine or audit any and all books, documents and records, financial or otherwise, relating to the Project or to ensure compliance with the provisions of this Agreement. The Recipient shall maintain all such books, documents and records for a period of six years after the completion of this Project, and such shall be kept in a common file to facilitate audits and inspections. All disbursements made pursuant to the terms of this Agreement shall be subject to all audit requirements applicable to State funds. The Recipient shall ensure that a copy of any final report of audit prepared in connection with and specific to the Project, regardless of whether the report was prepared during the pendency of the Project or following its completion, is provided to the Director within 10 days of the issuance of the report. The Recipient simultaneously shall provide the Director with its detailed responses to each negative or adverse finding pertaining to the Project and contained in the report. Such responses shall indicate what steps will be taken by the Recipient in remedying or otherwise satisfactorily resolve each problem identified by any such finding. If the Recipient fails to comply with the requirements of this Section or fails to institute steps designated to remedy or otherwise satisfactorily resolve problems identified by negative audit findings, the Director may bar the Recipient from receiving further financial assistance under Ohio Revised Code Chapter 164 until the Recipient so complies or until the Recipient satisfactorily resolves such findings.
- X. GENERAL ASSEMBLY APPROPRIATION. The Recipient acknowledges and agrees that the financial assistance provided under this Agreement is entirely subject to, and contingent upon, the availability of funds appropriated by the General Assembly for the purposes set forth in this Agreement and in Ohio Revised Code Chapter 164. The Recipient further acknowledges and agrees that none of the duties and obligations imposed by this Agreement on the Director shall be binding until the Recipient has complied with all applicable provisions of Ohio Revised Code Chapter 164 and until the Recipient has acquired and committed all funds necessary for the full payment of the Local Subdivision Contribution applicable to the Project.
- XI. THIRD PARTY RIGHTS AND LIABILITY. Nothing in this Agreement shall be construed as conferring any legal rights, privileges, or immunities, or imposing any legal duties or obligations, on any person or persons other than the parties named in this Agreement, whether such rights, privileges, immunities, duties, or obligations be regarded as contractual, equitable, or beneficial in nature as to such other person or persons. Nothing in this Agreement shall be construed as creating any legal relations between the Director and any person performing services or supplying any equipment, materials, good, or supplies of the Project sufficient to impose upon the Director any of the obligations specified in Ohio Revised Code Section 126.30. The Recipient shall be responsible for the Recipient's use or application of the funds being provided by the Director and the Recipient's construction or management of the Project.
- XII. TERMINATION. The Director's and OPWC's obligations under this Agreement shall immediately terminate upon the failure of the Recipient to comply with any of the Agreement's terms or conditions. Upon such termination, the Recipient shall be obligated to return any moneys delivered to the Recipient pursuant to the provisions of this Agreement.
- XIII. GOVERNING LAW. This Agreement shall be interpreted and construed in accordance with the laws of the State. In the event any disputes related to this Agreement are to be resolved in a Court of Law, said Court shall be in the courts of Franklin County, State of Ohio.
- XIV. SEVERABILITY. If any of the provisions or parts of this Agreement are found to be invalid or unenforceable, the remainder of this Agreement and the application of this provision to such other persons or circumstances shall not be affected, but rather shall be enforced to the greatest extent permitted by Law.
- XV. ENTIRE AGREEMENT. This Agreement and its Appendices and Attachments contain the entire understanding between the parties and supersede any prior understandings, agreements, proposals and all

other communications between the parties relating to the subject matter of this Agreement, whether such shall be oral or written.

- XVI. CAPTIONS. Captions contained in this Agreement are included only for convenience of reference and do not define, limit, explain or modify this Agreement or its interpretation, instruction or meanings and are in no way intended to be construed as part of this Agreement.
- XVII. NOTICES. Except as otherwise provided, any required notices shall be in writing and shall be deemed duly given when deposited in the mail, postage prepaid, return receipt requested, by the sending party to the other party at the addresses set forth below or at such other addresses as party may from time to time designate by written notice to the other party.
- XVIII. NO WAIVER. A failure of a party to enforce strictly a provision of this Agreement in no event shall be considered a waiver of any part of such provision. No waiver by a party of any breach or default by the other party shall operate as a waiver of any succeeding breach or other default or breach by such other party. No waiver shall have any effect unless it is specific, irrevocable and in writing.
- XIX. ACCEPTANCE BY RECIPIENT. This Agreement must be signed by the Chief Executive Officer and returned to and received by the Director prior to the acquisition of land and to the disbursement of funds.
- XX. ASSIGNMENT. Neither this Agreement or any rights, duties or obligations as described shall be assigned by either party without the prior written consent of the other party.
- XXI. ETHICS/CONFLICT OF INTEREST. The Recipient, by signature on this Agreement, certifies that it has reviewed and understands the Ohio ethics and conflict of interest laws, and will take no action inconsistent with those laws.
- XXII. NON-DISCRIMINATION. Pursuant to Ohio Revised Code Section 125.111 the Recipient agrees that the Recipient and any person acting on behalf of the Recipient shall not discriminate, by reason of race, color, religion, sex, sexual orientation, age, disability, military status, national origin, or ancestry against any citizen of this State in the employment of any person qualified and available to perform the work under this Agreement. The Recipient further agrees that the Recipient any person acting on behalf of the Recipient shall not, in any manner, discriminate against, intimidate, or retaliate against any employee hired for the performance of work under this Agreement on account of race, color, religion, sex, sexual orientation, age, disability, military status, national origin, or ancestry.
- XXIII. COMPLIANCE WITH LAW. The Recipient, in expending the funds, agrees to comply with all applicable federal, state and local laws, rules, regulations and ordinances.
- XXIV. FACSIMILE SIGNATURES. This Agreement may be executed in multiple counterparts, each of which may be deemed an original agreement and both of which shall constitute one and the same Agreement. The counterparts of this Agreement may be executed and delivered by facsimile or other electronic signature by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

All the above is agreed to and understood by the parties signed below. This Agreement for Project No. DEAD05 is effective as of the date first written above.

Commissioner Westfall moved adoption of the following resolution:

WHEREAS, Brian Fritsch, Williams County Drainage Engineer, has reported the proposed maintenance collections for 2027 duplicated with Williams and Fulton Counties, informational sheets attached, and should be placed on the 2027 tax duplicate for maintenance in regards to Joint Ditch #445 Wilson;

THEREFORE, BE IT RESOLVED, by the Joint Board of County Commissioners of Williams and Fulton Counties, that in order to provide such maintenance funds, it is deemed necessary to run the attached listed ditch on the 2027 tax duplicate for collection for one (1) year only, at the percentage and the amount provided based on the benefits, and that the same be and is hereby levied upon such benefitted areas as aforesaid, all in accordance with the provisions of Section 6137.03 of the Revised Code of Ohio; and

BE IT FURTHER RESOLVED, that the Auditors of Fulton and Williams Counties are hereby ordered and directed to place such ditch maintenance assessments on the 2027 tax duplicate of the respective counties; and

BE IT FURTHER RESOLVED, that it is further found and determined that all formal actions of this Board concerning and relating to the adoption of this Resolution were so adopted in an open meeting of this Board and that all deliberations of this Board and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

Commissioner Lumbrezer seconded the motion.

RESOLUTION 26-0410

COUNTY COMMISSIONERS' OFFICE
WILLIAMS COUNTY, BRYAN, OHIO
August 4, 2026

In the Matter of
Permanent Maintenance Rates
Of Ditches for FY 2027

The Board of Williams County Commissioners met in regular session on the above date with the following members present:

Scott A. Lirot, yes Bartley E. Westfall, yes Terry N. Rummel, yes
Commissioner Westfall moved adoption of the following resolution:

WHEREAS, Pursuant to the Ohio Revised Code, Section 6137.03 (C) ...on or before the first day of July of each year, the county engineer shall report to the board of county commissioners.

WHEREAS, Brian Fritsch, Williams County Drainage Engineer filed with the Board of Commissioners on July 1, 2026 the proposed permanent maintenance collections of ditches for FY 2027; and

WHEREAS, Brian Fritsch, Drainage Engineer met with the Board of Commissioners in Regular Session on August 4, 2026 at 10:30 a.m. to discuss and review the proposed permanent maintenance collections of ditches for FY 2027;

WHEREAS, per ORC 6137.03 (D)(2) on or before the second Monday of September in each year, the board shall direct the county auditor or auditors, as applicable, to place the maintenance assessments on the tax duplicate; therefore

BE IT RESOLVED, by the Board of Williams County Commissioners that we do hereby accept, certify and direct the Williams County Auditor to place the permanent maintenance collections of ditches for FY 2027 on the tax duplicate. The spreadsheet showing the parcels in total shall be presented to the county auditor and those final numbers shall be used for collection purposes; and

BE IT FURTHER RESOLVED, that it is further found and determined that all formal actions of this Board concerning and relating to the adoption of this Resolution were so adopted in an open meeting of this Board and that all deliberations of this Board and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

Commissioner Rummel seconded the motion.

The vote upon adoption resulted as follows:

Mr. Scott A. Lirot, yes

Mr. Bartley E. Westfall, yes

Mr. Terry N. Rummel, yes
