

General Information for ST3 TL

If you have an existing fixed place of business and are moving to a new location **not within the same county, you must cancel your vendor's license** and obtain a new vendor's license from the county auditor where your **new** place of business will be located or apply online at Ohio Business Gateway (obg.ohio.gov). To cancel your vendor's license, you must file a final sales tax return and you must indicate your last day of business.

If you hold a permit issued by the Ohio Department of Commerce, Division of Liquor Control, the vendor's license and permit must have the identical name and be for the identical

address as shown on the permit. If you move to a new location within the same county, **you must contact the Ohio Department of Commerce, Division of Liquor Control, to have the permit transferred to the new location address.** The Department of Taxation will not issue a transfer license until we have been notified by the Ohio Department of Commerce, Division of Liquor Control, that the permit has been transferred.

NOTE: This form should be used to request a "Transfer of Vendor's License" ONLY. For all other changes, please use form ST 3C.
